1. Acceptance of last month's meeting minutes
2. Guest & New Members: Introduce Guest and New Members and let them say something about their interest. New member –
3. This month's presentation we will continue with Dr. Shawn Willsey, a YouTube Geology professor from Northern Utah University. In this video Dr. Willsey covers Quartz as the 2nd most abundant earth mineral and how it occurs in rocks. In addition, Julio Lopez will present aspects of his master's thesis that should be of interest you
4. Treasurer's Budget/Bank (amount in kitty, raffles, shop sales, etc.)
5. Shop Report?
6. Ask each committee chair(s) status or ongoing plans. We will be looking for help with editor committee chair, New Member, Programs, Sunshine, Editor, etc.
7. In keeping with the club's bylaws election schedule. The club can start the nomination process in preparation to the November elections for Officers and Board of Director.
8. Our club held a successful Tri-County Picnic. All three clubs had representation. Our club made enough money to pay for the pavilion and still made over \$200.00 in raffle and rock sales. Thank you to Beverly and Susan for their donations and hard work. Thank you to Don Titman and Lucas Bush for hauling back and forth all those rocks to the picnic. Thank you to all the vendor tables. We hope it was worth your while. Thank you all.  
  
After the picnic the bylaws committee stayed an additional two hours to iron out and discuss the "proposed bylaw changes. Steve Ackerman, Mary Alice Manella , Ernest Ashurst and I, were able to agree on the changes and that the members will be able to vote on them come November elections.
9. Let's start discussing the Christmas party. We can start thinking about place, dates, price and menu.
10. We still need to pick a date and location for our "Honey Hole rock storage sale. Julio Lopez has started a flyer limited details but it's a start.
